EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with John Kennedy on June 3, 2004.

In line 3 of claim 23, the phrase --wherein the one or more program modules are stored in one or more computer readable medium,-- has been inserted before the word "comprising".

Allowable Subject Matter

3. Claims 1, 3-10 and 12-23 are pending. All the pending claims are allowed.

4. The following is an examiner's statement of reasons for allowance:

The closest prior art of Chen (U. S. Patent 5,590,197) teaches cyber wallet information stored on a portable electronic storage medium or a customer's computer together with browser software, that provides a customer for making payments from the possessor of the wallet to a merchant at a remote site on the Internet.

In regarding to independent claims 1 and 12, Chen taken either individually or in combination with other prior art of record fails to teach or suggest supplying to at least one of requested node of the plurality of requested nodes: the user identification code for registering the user at said at least one requested node, and the registration information transmitted from other nodes that stores the registration information.

Art Unit: 3621

In regarding to independent claims 10, 18 and 22-23, Chen taken either individually or in combination with other prior art of record fails to teach or suggest transmitting registration information from first node to a second node, providing the user with a user identification code permitting access to said registration information at said second node, transmitting said user identification code from said first node to at least one requested node, and supplying said registration information from said second node to at least one of requested node upon receipt of information identifying said user identification code.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
